

ZAHAV RTGS SYSTEM

Business Days during 2026

As a rule, the operating days of the RTGS system are Sunday through Friday. On a regular business day, the banking business day ends at 18:30, while on a short business day—Friday and holiday eves—the banking business day ends at 14:00.

The days on which the RTGS system will be closed, or alternatively will close earlier than usual, are listed below.

All times in the table are in Israel Standard Time (IST).
