

## ZAHAV RTGS SYSTEM

### Business Days during 2027

As a rule, the operating days of the RTGS system are Sunday through Friday. On a regular business day, the banking business day ends at 18:30, while on a short business day—Friday and holiday eves—the banking business day ends at 14:00.

The days on which the RTGS system will be closed, or alternatively will close earlier than usual, are listed below.
